TRIP LOGISTICS

Basic Plan/ Itinerary for Adventure:

- What's the main hinge point for your trip? Location? Theme? Fun activity?
- What's the part of the trip you're most looking forward to?
- How are you going to incorporate JPII/the Catholic faith into your trip (even in a shallow-access entry point way)?
- What is your definition of success for this trip?

Resources Needed (transportation, food, gas, etc. – create your budget plan here):

Sample budget plan:

Item/Cost	Price	Category	Total
Ie: 2 bags of marshmallows	\$.73/each	Food	\$1.46

Are you requesting money from us? (Is your trip cost exceeding the number of participants that can go?)

- **How much?**

*Please contact Peter Holman for reimbursement information. Make sure to save receipts

for any purchases.

**Gear Needed from Gearbrary (checkout our website here ---
<https://jpiioutfitters.wixsite.com/mysite> ---- to see what is available)***

*Personal gear (bags, pads, hammocks) is half off for anyone going on the trip. Trip gear (tents, tarps, etc) is free to use!

-

MARKETING

Approximate trip cost per person* (this does not include any additional gear costs for each person):

*Find this by adding up all the costs for food, gas, misc., and divide it by the number of people on the trip. Be sure to count yourselves out! Goal is to keep this <\$15!

How would you like to create flyers? (Us or you?)

***If you are making your own flyers, send them to Rachel Shaver when you are finished and she will take care of the rest!**
